Your Impact at CMU

Where generosity drives excellence and transformation

Every day at CMU, your generosity comes alive, shaping the lives of students and strengthening the foundation of this learning community. It's not just about giving. It's about what you make possible.

You fuel academic excellence.

Because of you, students can access the highest quality education without the burden of prohibitive tuition costs.

You nurture more than education.

At CMU, learning goes *far* beyond the classroom. Thanks to you, students have access to mental health resources, spiritual support, a competitive athletics program, and a deeply caring community.

You foster a vibrant space for faith and spiritual growth.

At CMU, faith is woven into the fabric of daily life. Your generosity ensures students have access to chapel services, small groups, and faith-building opportunities that shape their personal and spiritual journeys.

You build leaders for tomorrow.

Your support extends into communities, churches, and beyond. Your generosity empowers students to engage deeply with the issues that matter, equipping them to serve the church and the world in ways that make a tangible difference.

You uphold the heart of the campus.

Through your support of the *Uphold* campaign, our Poettcker Hall dormitory is being transformed. This iconic building has been central to CMU life for decades, and now, thanks to you, it's getting the care it needs to continue serving students for generations to come.

You keep the lights on—and much more.

From classrooms to student residences, your gifts ensure that CMU remains a warm and welcoming place for all.

Thank you!

Your gifts are so much more than financial support. It's an investment in people, ideas, and a shared vision for a brighter, better world. At CMU, your gifts are at work every single day, creating lasting ripples of change. Thank you for all the ways you support this place.

Giving to CMU

Thank you to all of our supporters who continue to give generously to the CMU Fund for annual program and operations. These gifts make the health and sustainability of CMU possible.

Giving to All Funds: Fiscal Years 2013/14 to 2023/24

The chart below reflects giving from individuals, corporations, and church bodies to the CMU Fund for annual program and operations, as well as to many other designated initiatives including scholarships and bursaries, capital projects (notably Marpeck Commons), various programs (notably the Redekop School of Business), endowments, bequests, and gifts-in-kind. Generous giving in support of constructing Marpeck Commons and support for the Redekop School of Business form a bulk of 'Other Designated' giving from 2013-24.

Eleven-year giving history: all funds

883 donors/donor households supported the CMU Fund for annual program and operations

652 alumni (representing 476 households) gave to CMU Fund for annual programs and operations

\$1.71 million was gifted to the CMU Fund for annual program and operations

CMU Finances 2023/24

A message from Cheryl Pauls, CMU President

Thanks to deep trust and generosity from a great many (well over 1,000) friends, alumni, and church bodies as well as the Province of Manitoba, I am heartened to report that CMU continues to be able to provide high-quality and affordable education. With honour, we see equal measures of investment in CMU over the past 25 years from surrounding donor communities and from the Province. CMU ended 2023/24 with a very small surplus of \$7,400 in revenues over expenses for an overall stable financial position on a \$14,800,000 annual operating budget.

Now, the scale of those numbers sometimes is hard to interpret. In university terms, CMU has a tiny budget. In household, congregational, and small business or non-profit agency terms, CMU has an enormous budget. So think of it this way: CMU is a relatively small university and yet a fairly large organization.

CMU educates about 800 students (full-time equivalent) through outstanding contributions of about 200 staff and faculty members (110 full-time and 90 on part-time or small stipendiary contracts). Inflationary increases were as much a factor for CMU as everywhere else last year; this necessitated fiscal restraint through underspending in a number of areas.

Still, on the whole, the story of the numbers tells of institutional health and stability in an era of considerable volatility and strain.

It is helpful that in 2023/24 CMU carried the lowest amount of capital mortgage since we opened in 2000; this context has afforded us capacity to re-engage a mortgage process for a major Poettcker Hall renewal project of \$8.2M. The project will be funded by the a \$4.45M mortgage and a \$3.75M campaign. You're most welcome to see the CMU 2023/24 audited financial statements on our website cmu.ca/communityreport.

All who contribute to CMU see something vital as being at stake for church and society in the mission entrusted to this university. Thank you for collectively holding CMU and carrying it forward as we approach our 25-year anniversary in 2025 and set the framework for the next quarter century.

2023/24 Donors and Sponsors

The mission of CMU is made possible by the gifts of an incredible network of generosity. Thank you to the 1,014 donors and sponsors below whose support sustains CMU programs, student bursaries and scholarships, capital projects and more.
